SUMMER CAMP 2021: June 21st– August 27th

Welcome back campers!

We are thrilled to announce our plans to hold summer camp in-person for the summer of 2021. We've missed you and hope you will join us for a new and improved version of our popular camp program.

What's new? We've come such a long way towards emerging from this pandemic year. Getting all the way there requires that we keep safety right next to fun on our list of top priorities. We're determined to use our building and our outdoor spaces creatively to provide a joyful and safe summer!

- Current safety precautions will remain in place including mask wearing by campers/ teachers/staff, social distancing, handwashing, daily temperature checks.
- Some classes, specifically Ceramics and Theatre, will be held outdoors whenever possible
- Indoor classrooms will have open windows as well as air purifiers
- Each group of campers will have a designated inside classroom and bathroom

- Each camper will have a personal set of art supplies to be used through their camp session
- Pool trips: TBD. If Cheltenham Township decides to open pools this season, we will carefully consider if we can run our usual weekly pool trips safely. Stay tuned!
- After care: TBD. At this point we are not able to offer after care. This decision may be updated. Thank you for your patience.

What the same? While each year at camp brings new projects, experiences, laughter and friends some things you can count on!

- All campers will get to participate in all classes! We'll be exploring painting, printmaking, drawing, constructing, clay and theatre games. Stretching imaginations is our goal!
- Professional art teachers chosen for their experience and love of working with kids will lead classes

- Our enthusiastic, college age counselors will stay with your child's age group throughout their camp session
- Campers, as always, bring their own lunch and water bottle.

Registration is open. Early Bird 5% discount available before May 1 (must be paid in full by May 1). Register today to reserve your spot. Space is limited!

PAINTING, DRAWING & PRINTMAKING

Students gain skills in various painting media, drawing techniques, and printing processes including embossing, stamping, mono-prints and collagraphs.

CERAMICS, SCULPTURE, COLLAGE & ASSEMBLAGE

Students use found objects, traditional art materials, paper maché and paint to create 3-Dimensional pieces. Students explore clay through pinch, coil and slab building to make anything from functional pottery to hand built sculpture.

THEATRE

Get up and play! Professional theater artists guide campers through acting techniques via games, improvisation and storytelling. All campers have a chance to perform in our theater on the final day of each session!
