

SWEETEN THE SUMMER AT CCA!

JOIN US FOR SUMMER CAMP 2022: June 20th–August 26th

Ready for Summer? We are!

We've come such a long way towards emerging from this pandemic year. Getting all the way there requires that we keep safety right next to fun on our list of top priorities. We're determined to use our building and our outdoor spaces creatively to provide a joyful and safe summer!

- We will continue to follow safety recommendations of the CDC, paying special attention to local health authorities and conditions.
- Some classes, specifically Ceramics and Theatre, will be held outdoors whenever possible
- Indoor classrooms will have open windows and/or air purifiers
- Each age group will have designated sets of art supplies to be used through their camp session
- Pool trips: TBD.
- We reserve the right to impose more restrictive requirements, such as mask wearing, in all spaces, as needed.

While each year at camp brings new projects, experiences, laughter and friends some things you can count on!

- All campers will get to participate in all classes! We'll be exploring painting, printmaking, drawing, constructing, clay and theatre games. Stretching imaginations is our goal!
- Professional art teachers chosen for their experience and love of working with kids will lead classes
- Our enthusiastic, college age counselors will stay with your child's age group throughout their camp session
- Campers, as always, bring their own lunch and water bottle.

Registration is open. Early Bird 5% discount available before May 1 (must be paid in full by May 1). Register today to reserve your spot. Space is limited! Use code **EARLYBIRD** online.
